

1. The Thomas Jefferson letter is a historical document.

2. The David plotz letter is a Modern opinion piece.

3. The main things of Thomas Jefferson are to find fur, Gold, Natural Resources, and a find the northwest passage, and to explore Missouri.

4. Lewis and Clark didn't analyze their writing and find a northwest passage

I think the Lewis and Clark Expedition did not matter and did at the same time. The trip did not find a northwest passage, but they did explore the land and meet the Native Americans. A lot of people had already come to America before them.
